

VT8 light tower

The compact footprint and ease of use are two main features that make the **VT8 light tower** one of the top models in the Generac Mobile® range. High performance balanced with low cost allowed the VT8 to become the best-seller model in the extra-European market.

THE BEST SELLER

The VT8 is **the best seller model** of light tower in the extra-european market, thanks to the vertical mast and the high quality features granted by Generac Mobile®.

Vertical mast

A **telescopic vertical mast** with manual lifting system and a maximum height of 8 meters.

Metal halide lamps

4x1000W powerful metal halide lamps able to illuminate medium and big working areas.

Trailer options

The VT8 is equipped as standard with a **low speed trailer** but it can be also mounted on a **straight road trailer**.

Engine options

You can choose the engine you prefer between between **Yanmar 3TN** and **Kubota D1105**.
